# myringo sizing guide

1 Print this PDF file.

**2** Ensure that the line below measures 5cm.

If it is not, the page has not printed correctly. In the Print dialog box, print scaling must be set to 'None' or 'Do Not Scale'. Print scaling is found in File / Print in the Page Handling section.

3 Cut out the ring sizer and carefully cut the slot on the wide end.

4 Place the end of the ring sizer through the slot to make a loop.
